[DOWNLOAD HERE](#)

Songs in the Dostoevsky vein to some, a Freudian study; piano-based ballads and their evolutions after embracing Sarah McLachlan, Tom Waits, Saint-Saens. 5 MP3 Songs FOLK: Modern Folk, POP: Piano  
Details: "permanent transient" is the first studio release from Iris Leu, an EP. Songs address the taboos of human nature, each wrapped in delicate vocals and long-legged melodies. Like chocolate-covered spiders. (how doooo those taste?) For those who heart the folk-acoustic songwriter persuasion, and those who enjoy analyzing a modern musician.
