BEFORE WOMEN HAD WINGS Starring Ellen Barkin and Oprah Winfrey Bird Jackson is a young girl whose life with her parents is painful and frightening. She turns to her reclusive neighbour Miss Zora played by Oprah Winfrey, to escape the harsh realities of her home life, and it is through their friendship that Bird learns to dream of a better life. But Miss Zora knows that Bird cannot survive on dreams alone, and that there is only one way to save her. This is an excellent quality download. And a very moving movie.
