Songs for kids and kids at heart. 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Robbie Schaefer's SONGS FOR KIDS LIKE US is the first collection of music for kids and families by the singer/songwriter of the critically acclaimed folk-pop band Eddie From Ohio. With 9 albums and 120,000 independent record sales under their belt, Eddie From Ohio earned the plaudit the greatest band youve never heard of by US Airways Attache magazine. Now, with the release of SONGS FOR KIDS LIKE US, Schaefer presents what easily could be tagged the best CD your kids havent heard of yet. Never straying far from his folk-pop roots, Schaefer presents a memorable 12-song collection of catchy, clever, and slightly cheeky tunes that take the listener on a romp through musical styles and colorful arrangements that appeal to both kids and kids at heart. Among the original tracks are the tales of a little brother who wont eat anything, a fish in a tub who eats everything, an accident-prone professor, and an affable cowboy who can only speak backward. (His name, of course: Bob.) Traditional tunes such as There Aint No Bugs on Me and Theres A Hole in The Bucket receive imaginative treatments to round out the track list. Guest spots from keyboardist Jon Carroll (Mary-Chapin Carpenter; Starland Vocal Band), trumpeter John Abbracciamento, bassist Matt Grason and EFO bandmates Eddie Hartness and Michael Clem add to the fun. Noted kids illustrator Jack Desrocher contributes the whimsical character illustrations to the CD packaging.
