LATIN: Latin Rap, HIP HOP/RAP: Rap Details: Ragga War is the third in the series of original reggaeton creations developed by Ragga Force. These are the folks that started the reggaeton scene way back in 1987. Everything you hear today originated from them. If you love "old school" reggaeton, then you will love Ragga War. It combines the talents of some of the top International Reggaeton Artists "before" the big Record Labels got in and commercialized the entire market. Think of Ragga War as the Elvis Presley of Rock and Roll.
