

Mp3 Coco's Lunch - Wally Wombat Shuffle

[DOWNLOAD HERE](#)

Australian vocal and percussion group Coco's Lunch are dedicated to composing and performing original and inspiring music. Their scintillating songs for young people are clever, catchy and full of zest and children can't resist joining in. 15 MP3 Songs KIDS/FAMILY: General Children's Music, WORLD: Australian Details: Not a typical childrens album Im often left behind walking life an Egyptian Pharaoh, long after the children have gone outside! The Music Circle A great CD the lyrics are funny and the rhythms catchy. its uses limited only by the listeners imagination Multicultural Resource Centre, Victoria Renowned for their extraordinary song writing, disarming originality and stunning live performances, Cocos Lunch have been nominated for a host of Australian music awards. These five women singer/composers have received standing ovations for their concerts for adults and children throughout Australia, Asia, Canada and Europe. In 2005 their concert for Festival Vancouver at the University of British Columbia was recorded and broadcast nationally by the Canadian Broadcasting Commission and in 2006 they were invited to headline the 7th International Taipei Choral Festival. Brilliant and explosive Cellensis Festival, Austria Cocos Lunch have recorded several independent albums of original songs, including two brilliant childrens albums, and have been at the forefront of original Australian vocal music for over a decade. Performed by groups and choirs worldwide, their award-winning work has also been featured on countless compilation albums, anthologies, documentaries and film. A NEW GENERATION OF VOICE Bruce Elder, Sydney Morning Herald Cocos Lunch have ignited the hearts of children in schools and concert halls throughout Australia and Asia, with over 400 concerts and workshops with the Musica Viva In Schools program. With a rhythmical vitality, humour and musical sophistication that sets them apart from most childrens performers Cocos Lunch have performed their magical interactive shows in sold-out seasons at the Sydney Opera House (Babies Proms), the Famous Spiegeltent, the Victorian Arts Centre and Brisbane Powerhouse for several consecutive years. Their debut CD for children WALLY WOMBAT SHUFFLE (1998) was released to outstanding reviews by media and music educators alike and has since become a childrens classic. Though an independent release, the album has sold thousands of units at performances alone, with parents re-ordering second copies after originals have

been played into extinction! Wally Wombat Shuffle features Cocos Lunch hits such as Cocos Samba, Hitch Em Up, Baa Baa, Spin My Wheels, Dizzy Spin, Spooky and Wally Wombat Shuffle! Truly inspirational! I would recommend them on any stage around the world Noel Jordan, Young Audiences Producer, SYDNEY OPERA HOUSE
