

Mp3 Marco Torrance - Reconstructed Moments

[DOWNLOAD HERE](#)

Chillout kissed by trance and a guitar. 9 MP3 Songs ELECTRONIC: Ambient, EASY LISTENING: Soft Rock Details: Marco Torrance, aka Marco Tust, is an ambient, chillout and trance musician based in Leipzig, Germany. He was born on January 15, 1981 in Leipzig (German Democratic Republic). Inspired by dancefloor era in the early 1990s, Marco began making his first electronic dance music by using simple sample tools and tracker related programs. Finally he found the way to the software synthesizers. In the past 4 years, Marco had several trance releases on vinyl and compilations appearances at Germany's ZYX Music and Tunnel Records. Also inspired by Solar Stone, Michael Woods and Enigma, he additionally started to produce some chillout. So finally he got his first compiled EP-release on Kahvinetlabel. After one and a half year production time Marco presents his debut album "Reconstructed Moments" on the Dutch Chillout label Cardamar Music. This album includes 9 tracks about things and thoughts, which came along with Marco in the past 10 years. Marco also got some assistance by 2 great musicians. The guitar was played by Volker Kaufmann who is one half of Germany's Easy Listening duo Shaped Signs. The voice and the lyrics on the final track "Behind Closed Eyes" were made by Michelle Richer, a vocalist, musician and philosopher from Washington D.C. Finally, it's emotional and epic chillout kissed by trancy sounds, a guitar partly and the wonderful voice of Michelle Richer.
