

Mp3 Simplified - Smile

[DOWNLOAD HERE](#)

Jazz funk blended with flavors of southern roots. 12 MP3 Songs POP: Today's Top 40, ROCK: Funk Rock Details: True to its title, Smile, the newest release from Simplified, will describe how you react when you hear this artistic mix of reggae / jazz funk blended with mild flavors of their southern roots. People just relate to our songs, explains Clee, the six foot seven front man with his trademark facial expression, I love watching people take our story and make it theirs. Simplified, a Charlotte, NC based band, have made a mark for themselves with incredibly catchy melodies and intense live performances. In the three years since the band formed, they have played over 400 live shows and captivated a variety of people everywhere.
