

# Mp3 The Bliss - New Beginning

[DOWNLOAD HERE](#)

A blend of R&B, jazz and chillout for a classy music cocktail featuring extraordinary vocals and warm guitar tones. 12 MP3 Songs JAZZ: Smooth Jazz, ELECTRONIC: Down Tempo Details: "The production of the CD is incredible. The vocals just shimmer throughout the mix. The music is tight. The songs just flow and groove me. I am surprised that The Bliss have not yet blown up in the States..." Leroy Watkins, Jr. - INCAHOOTS Entertainment "Listen to The Bliss while you are leisurely slicing through the cool waters of the swimming pool on a dusky evening, or while just enjoying the dying sun, and you'll know what Nirvana is. No kidding. Enjoy!" SHERPA, Manila "What really stands out is the singer's dazzling and feminine voice. She sings sweet highs and lows into a nice and decadent pop/jazz blend." The GATE music reviews "I really enjoy the music and I have played it in my radio show." - Kevin L. Olson, USA (AKA DJ Zadder / WBGU) "as close as pop-jazz comes to perfection" Rod Underhill, Music Director, MP3.COM "a jazz experience that no one should be deprived of" Karen Kosowski, EMusic magazine "I thought Diana Krall had the sexiest voice in jazz today, but I think Angela Higney has bested her." W. Hall, USA " ... they get a MOST HIGHLY RECOMMENDED a H-O-T pick of the week for best jazz!" Dick Metcalf, WZAJ, USA
