ROCK: Folk Rock, ROCK: Progressive Rock Details: The Wishing Tree were formed in 1995. The first album Carnival of Souls was originally released to great acclaim in Europe in 1996. It features Hannah Stobart on vocals and Steve Rothery on guitar. We've had comparisons to Kate Bush, All about Eve, Joni Mitchell and Fleetwood Mac. The new songs for the second album we're currently finishing off are quite diverse, demo's of these can be found on our myspace page at myspace.com/thewishingtreeband
