

Mp3 Jimmy Hodges - Reminiscing

[DOWNLOAD HERE](#)

Smooth, classic R&B brought to you by former Motown artist and songwriter, Jimmy Hodges. 10 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Soul Details: Discovered as a young talent by the legendary Berry Gordy, Jimmy was welcomed into the Motown family in 1984 where he trained as a staff songwriter and artist. He proceeded to write and produce songs on five platinum and three gold albums during his tenure at Motown. Jimmy has written and arranged material for James Ingram, Ray Parker, Jr., Lionel Richie, Rick James, among many others. "This album is an Urban Adult Contemporary groove, with a heavy backbeat," says Jimmy, "And these are some of my favorite songs."
