A loving grandmother talks with her grandson and shares 'life lessons' and the heartache they both suffered. 1 MP3 Songs SPOKEN WORD: Instructional, KIDS/FAMILY: Children's Storytelling Details: After listening to Dellas CD, I just wanted to crawl up on her lap. Whoopi Goldberg This is the dialogue so urgently needed today in all the communities in our country. I firmly believe that if these conversations were being shared around the dining tables, in the kitchens, on sofas, at the country front-porches and the big city stoops, we could breathe deeper and we would be happier. Our children would not be so lost that they search in gangs for places to belong, not would they seek identity in the ownership of guns and the vocabulary of vulgarity. Please let us have more conversations. Please let us have them soon. Dr. Maya Angelou Dellas heart is as big and full of love as her voice. Being a grandparent is a natural Willard Scott
