Juneau, Alaska DIY punk rock. 13 MP3 Songs ROCK: Punk, POP: Power Pop Details: What Remains is a DIY punk rock quartet made up of guitarist/vocalist David Conway, bassist/vocalist Ryan Sotomayor, drummer Walker Janelle, and the mysterious guitarist known as Whorehouse Lucky Nick. The majority of shows that What Remains and/or band members put on individually are benefits for local good causes like AWARE and the Glory Hole (local shelters). Specializing in all sorts of punk and/or pop, What Remains has released two EP's on local indie label Dave's Bedroom Records (operated by David Conway) and released their first full length December 2006 on the DBR imprint with vinyl on Enchantment Under the Stars (operated by Ryan Sotomayor). Destroys All Monsters! is DIY punk at it's finest. The only thing the band didn't do itself was press the LP's and CD's. The CD/LP What Remains Destroys All Monsters! as well as t shirts are now available from this site, the band, at shows, and/or at enchantmentunderthestars.blogspot.com What Remains is currently recording a follow up to Destroys All Monsters! tentatively entitled "Tigers in Bed EP" Thank you.
