

Mp3 Suva - Souvenirs From The Sun

[DOWNLOAD HERE](#)

Modern music that fuses elements of rock and new wave. SUVA combines crafty song writing with edgy guitars, catchy synth hooks and sublime vocal melodies. 10 MP3 Songs ROCK: Modern Rock, POP: New Wave Details: SUVA began as a studio project in the Summer of 2005 in Dan Maiman's Newport Beach apartment. Playing around the So Cal indie/industrial rock scene for the better part of a decade, Dan started writing a new batch of songs and collaborating with Brian Ulrich out of Venice Beach. The two began honing in their sound and haven't stopped since... After spending the first 2 months of 2007 tracking (in Long Beach, CA) and mixing (in Silver Lake, CA), SUVA's first full length CD - "Souvenirs from the Sun" is finally complete!
