

Mp3 Papas Underground - Second To Last

[DOWNLOAD HERE](#)

Rootsy rock music in both English and Spanish. 11 MP3 Songs LATIN: Rock en Espanol, ROCK: Roots Rock Details: Papas Underground returns in 2007 with SECOND TO LAST an album with a rootsy sound in both English and Spanish preserving the vintage edge and the back to basics rock and roll attitude. After asking around to their close friends; They came up with an unanimous decision that the key songs of this album are: "I Won't Let You Down" and "Revolution" and the Spanish language cuts "Ya entendera" and "Nada que puedas hacer". Check them out! Founded in 2002, Papas Underground quickly made a name for themselves in the clandestine Rock en Espanol scene of Washington DC. Their Debut album Rollinga Social Club (Released in 2005) took them to different cities in the USA and gaining a small but growing following. The video for the cannabis anthem "Otro Joint" went all over the internet gaining exposure for the band, the song has actually become a must play during live shows.
