Chicago keyboardist, Paul Mutzabaugh, and his high energy instrumental fusion group -- whose entirely original material employs and features complex harmony, odd time signatures, improvisation, and virtuosity. 12 MP3 Songs JAZZ: Jazz Fusion, JAZZ: Jazz-Rock Details: Duncannon Shenanigan (2007) is the most recent recording from Chicago-based fusion group, THE RENEGADES. As per usual, complex harmony arrangements, odd time-signatures, virtuosity, and improvisation are utilized to help create a distinguishable, high-energy sound. This particular record goes one step further via the introduction of the mini-kit -- an undersized set of drums and cymbals -- played simply, recorded dryly, and ultimately saturated with effects to produce the illusion of an electronic drum loop, as played by human hands. The mini-kit appears in a variety of guises on tracks 2, 4, 7, 8, and 11. The musicians appearing on the album are the usual trio of PAUL MUTZABAUGH (keyboards, 12-string acoustic guitar, percussion), FRANK ALONGI (drums, mini-kit, percussion), and JON WEGGE (electric and acoustic basses). They are joined by guitarists JEREMY BIEBER (tracks 5, 6, 9, 10) and CHRIS SIEBOLD (tracks 3, 8, 12). All compositions are by Paul Mutzabaugh, with the exception of track 3, by Jon Wegge. All major tracking and editing was done at Long Division Studios (Chicago, IL), engineered by ALEX HALL, dedicated and enthusiastic friend of the group. Additional recording was done by JOSH RICHTER at Victorian Recording (Barrington, IL) and JON WEGGE at Unmutual Studios (Morton, IL). The record was mixed by ALEX HALL and PAUL MUTZABAUGH at Long Division Studios, and mastered by BRIAN SCHWAB at Curried Bagel Studios (Chicago, IL). Produced by PAUL MUTZABAUGH, with the assistance of his brother, TIM MUTZABAUGH, Duncannon Shenanigan offers a wide range of fusion music for listeners of various tastes to enjoy.
