

Rza Drums N Breaks

[DOWNLOAD HERE](#)

Are you looking for drum sounds to that you hear in your favorite producer's records? You want those crisp-thick drums that only make you spit hot rhymes? Then I know what you're looking for and you should know that you've come to the right place! No fancy HTML layouts to make you buy.. This is not fancy!!! This is the real m****f***** deal! Here you'll only find hard isht !!! Tired of purchasing sampling CDs and finding out that only a 20 matches the beat production style you are looking for? Well, here it is!!! Drum samples that match the beat production style of The RZA and inspired by the 36 Chambers!!! This drum compilation is made by a beatmaker/producer for other beatmakers!!! I've used these drums and made hard hitting beats with em! This compilation contains: 50 Rare Vinyl Drum Loops (cut them, chop them, slice and dice them -Rza style- and the possibilities are endless...) 249 Bass Drums 200 Snare Drums 144 Hi Hats 22 Tambourines (place them on top of your SNs for more crispiness...) 23 Shakers 30 Crashes and Rides _____ 748 FILES TOTAL!!! download the 'Preview' to RZA Drums n Breaks and try some of them out. There are toy beatmakers out there that say they have 10,000 and 10,000 snares... In reality, established producers only use about 10 to 50 BDs, 10-50 SNs and so on... and they just recycle them and change their library maybe every other season or on every other project they be working on. I've seen this in studios... Beatmakers using only 10 BDs and 13 SNs and maybe 10HHs for a whole album... They just EQ them and compress them differently on each track... With this little industry secret you can even go on without purchasing this drum collection... But this collection will last you for many many records. Copy-paste into another folder the drum sounds you use most and there yo go: you'll have your own signature on your beats. Cos that's the key! Use the same sounds through a period of time and your style will be noticed in your hood, your city or the network you're about to build!!! Sample them on your 12 bit Ensoniq EPS, Akai MPC60 or E-Mu SP1200 and make them sound phatter and dirtier!!! Or import them on your MV8000, MPC1000, MPC2500, MPC4000, HALion (VSTi) or any other hardware or software sampler and you have crystal clear drums along with the thickness and crispiness of these drums!!! All are guaranteed to rock you. So what are you waiting for? A pack of cigarettes and two beers cost more than 6 bucks!!! BUY NOW AND GET INSTANT DOWNLOAD

LINK !!! All drum sounds are in 44.1Khz 16bit .wav format and are compatible with any system. Buyer will receive a link in email RIGHT AFTER payment. Payments made by paypal only. Check out my other items! We got great drums at great prices! Searches:rza drums
