

Mp3 Ray Brandes - A Matter Of Time: The Best Of Ray Brandes

[DOWNLOAD HERE](#)

A twenty-two year history of Ray's recordings, including tracks by the Tell-Tale Hearts, Shambles, and his solo work. 24 MP3 Songs ROCK: Garage Rock, ROCK: Psychedelic Details: This incredible anthology spans more than twenty years of a long musical journey that began in the early eighties and continues today. You'll hear some of Ray's contributions as the lead singer of the Tell-Tale Hearts, one of the most influential garage-punk bands of the 1980s; tracks from his short stint as one of the founding members of the Shambles; as well as fifteen years of his songs as a solo artist, from his critically acclaimed albums The Lonely Sock, Continental Drifter (which was called one of the top three pop albums of the 1990s by The San Diego Union-Tribune), and "The Rise and Fall of Ray Brandes. This disc has it all: from furious, maraca-shaking punk/rhythm and blues to Tex-Mex to Beatlesque pop. Mohair Sweets Magazine says, "Ray Brandes is awesome. His rootsy, anthemic and romantic rock 'n' roll is easily on par with the likes of Graham Parker, Costello, and Nick Lowe with whom he does share stylistic similarities." Get it today!
