Lyrics I rise in the East Hoping I can bring you some peace. Let me make your fear go away And I'll bring you a time that's called "day". Can't you hear the sweet song? Don't you know the wind's never wrong? What was cold my gaze can make warm; I can push the dark storm from my way. Chorus: Tell me, what is my name? What is my name? Is there just a moment in time you can remember when we were best friends? Tell me, what is my name? What is my name? See if you can hear the sweet language we spoke when we were all the same... (Yaweh, Ahuramazda, Eloim, Jehovah, Adonai, Allah) I'm soft in your eyes. I can hear what's hidden in lies. I can make you fall fast asleep And you'll tell me the truth in your dreams. My home is the night. I have seen you dance in my light! I'm the only one who can tell When you wish by a well or a stream. Chorus (Athena, Aphrodite, Ama Zulu, Lakshmi, Isis, Frea, Seravati, Venus) Even at night, if you can remember my light You will always know that I'm there And you'll never be frightened again.
