Relaxing ambient jazz 14 MP3 Songs JAZZ: Cool Jazz, JAZZ: Jazz quartet Details: There's no need to rush through this recording: relax, turn down the lights, help yourself to some appropriate refreshments, in the company of good friends or someone special, and let Mike's sax soothe your soul. Gary van Dyk, jazz journalist, music lover, and friend For two hours each week, I have the privilege of enjoying an inspired collection of jazz selected by Mike Laatz for his Fine Music Radio programme and now there's Sentimental Journey, an hour-and-a-quarter of inspired playing by Laatz. From a sultry Misty to a jump-bop Summer Samba it's a smoky ride, with the 4am paean of Ntyilo Ntyilo a highlight and the Mashed Potatoes original is a rollicking inclusion. Evan Milton: Argus bandstand; Music Editor: Tiscali; SAMA judge; presenter of FMR's Homeground Advantage. It's been a privilege to work with the wonderful musicians on this album. Andrew, Basil and Kevin are, in my book, the finest rhythm section in the country. A special thanks to Jack van Poll, who usually only plays with the best, for his tenor sax on Misty. Thanks also to Cecily Pepler for her wonderful interpretation of my Mashed Potatoes, and to Craig and Andrew for their superb recording skills. Finally, thanks to you if you have bought this album; I hope you enjoy listening to it as much as I enjoyed making it. Mike Laatz, Cape Town
