Solo violin fronts every track on this gorgeous downtempo electronica album, creating a unique web of lush melodies and electronic beats in this sophomore album by Chance's End. 13 MP3 Songs

ELECTRONIC: Down Tempo, ELECTRONIC: Electronica Details: Chance's End returns with the sophomore album "The Outsider". With this release, the violin stands front and center of a downtempo electronica landscape. Tracks such as "Diamond in Disguise", "Morro Bay", and "Extension of a Nightvision" explore the melodic side of electronica in the style of Groove Armada. Whereas "Encounter" and "Production to Perfection" explore Hybrid-style breaks and Cirque De Soleil wall-of-sound production. Fans of both electronica as well as violin music are sure to enjoy this album. Even tango and blues dancers will find something to dance to in "Oblivion", "Sullivan", and "Lintango". The Outsider once again brings violin electronica to the masses, and its unique style is bound to turn some heads. You may not have heard of Chance's End yet, but after hearing The Outsider, you'll know that violin-laced breakbeat electronica is too unique to ignore...
