"Wedding Music Sampler" is the result of 30 years of helping brides choose the perfect music for their
Wedding Ceremony, and playing the music for those weddings. I am John Siderius, Music Director of
historic St. John's Church in Hampton, Virginia. A musician and teacher, I direct several choirs, and
perform a variety of music in my community. The range of music featured on the Wedding Sampler
stretches back in time from the Agincourt Hymn composed in 1415, to music of our own time, including
settings of Spirituals, Beethoven's Hymn to Joy, and all the standard favorites: Pachelbel, Bach, Mozart,
Mendelssohn, Franck, Vivaldi, and my set of variations on the hymn O love, how deep. The 80 selections
are heard on harpsichord, organ and voice.
