

Gall Bladder Short 1

[DOWNLOAD HERE](#)

(Traditional Chinese Medicine) herbal formula. The herbal blend is quite powerful and effective at remediating Gall Bladder related issues and is reported to help in the dissolving of gall stones, etc. The herbal blend is meant to safely soften and rid the body of gall stones within a year. Its also supposed to help with the general healing of the organ. The frequency set I have developed is meant to be an audio emulation of this process. You may find it extremely helpful to take in tandem with a good gall bladder herbal medicinal tea formula from your local Chinese Medicine doctor. There are four frequencies. Ideally they are meant to be used together in sequence. Playing #' 1 to 4 in sequence, looped for up to 3 to 4 hours per day, coincide play time with when you take the tea. Alternatively, your body may respond to just one of the frequencies or to a few of them. I would suggest using all four in sequence, but tailor this to your own needs and what 'feels' right to you....
