

Mp3 The Woodhouse Band - Harvest Moon

[DOWNLOAD HERE](#)

Instrumental music from the American and Celtic traditions, featuring fiddle, banjo, harmonica, piano, and bass box. 18 MP3 Songs FOLK: Traditional Folk, FOLK: Irish Traditional Details: The Woodhouse Band plays traditional American and Irish music using fiddle, banjo, piano, guitar, harmonica, and bass box. All selections on this album are instrumental and reflect a wide range of genres from Irish dance tunes to minstrel banjo tunes. This music originates from a time when live music was the only way music was heard. Recording technology now gives access to an incredibly wide range of music. It's refreshing to hear music from earlier times carried forward into the present day, where it still moves listeners with its lasting value. People who are interested in The Chieftains Hesperus should consider this download.
