ELECTRO GRIME is the latest Sample Pack from Inspiration Sounds. If you are looking for totally fresh and current electro synths, ball-crunching electro basslines, downright dirty electro drums and "out of this world" synthesizer fx, then look no further. Electro Grime was created exclusively using some of the finest analogue synthesizers and analogue drum machines ever created. All loops are at 128BPM and our producers have worked extremely hard to provide you the most refreshing and inspirational content possible. Click the preview button above to listen to the Electro Grime MP3 Demo. Please note, all of the demo content is included in Electro Grime. Some "full mix" musical loops are included in the Electro Grime Sample Pack to allow new producers to create tracks extremely easily. However, Electro Grime is ideal for both new producers and seasoned professionals alike. Electro Grime is available for direct download to your computer today, and it is in multi-format.
