A powerful combination of smooth jazz meets new age meets classical - heart, virtuosity and groove all rolled into one. 13 MP3 Songs NEW AGE: Neo-Classical, JAZZ: Smooth Jazz Details: When you listen to one of Michael Dulin's albums, you can't help but think, What can't this guy do? He's a classically trained pianist who completed his studies at Juilliard, has played Beethoven at Carnegie Hall, AND he has performed as a sideman in The Temptations Review featuring Dennis Edwards touring band. How many artists can claim to have this much range? But it doesn't stop there. Michael is also a studio owner, a session musician, a producer/arranger, and a composer of award-winning music for radio, television, film, and theater. Michael has two #1 New Age albums to his credit, two Lifestyle Music Awards, and a slew of rave reviews in his portfolio. Critic Kathy Parsons has called Michael Dulin ...one of the most versatile musicians I have ever known. Just listen to a couple of his tracks and we know you'll agree. People who are interested in Bruce Hornsby Keiko Matsui Jim Brickman should consider this download.
