Subtle ambience, found sounds, and treated acoustic elements escalate and wash over the listener creating a harmonically dense, and melodically rich environment. 12 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Ambient Details: This is Keith Kennif aka Helios's first album and release for Merck. With previous compilation and remix appearances, including a track on the Neo-Ouija Cottage Industries 3 CD. For this release he places the listener into a lush atmosphere sprinkled with piano, guitar, and a variety of downtempo experimental breakbeats. Subtle ambience, found sounds, and treated acoustic elements escalate and wash over the listener creating a harmonically dense, and melodically rich environment. Complimented by a remix from Philadelphia's Loess as well. Overall clocking in with 14 tracks and a little under 60 minutes long, another CD player fixture from the Merck camp.
