The long awaited follow up to Kent's highly successful and well received easy listening debut CD, "Wonderlust". Most instrumental music can easily be forgotten after one listen, but you'll return time again to Kent's gorgeous unforgettable music. 12 MP3 Songs NEW AGE: New Age, EASY LISTENING: Mood Music Details: People all around the world, from massage therapists, to healers, to people who just want to deeply relax and be transported have found Kent's instrumental music to be powerfully soothing and something they come back to time and again. Some have even found that Kent's music has a magical ability to put their otherwise restless children right into a deep and peaceful slumber. For adults, his music is like an elixir of peace for the soul, for beautiful moments in an otherwise fast moving world. Most instrumental music can easily be forgotten after one listen, or is immediately relegated to the background by the mind, but Kent's music stands out with its heart tugging and gorgeous unforgettable melodies. His songs will lift you to a higher state of being, whether you're healing, hosting friends for dinner, meditating, sipping a warm cup of coffee on a cold Sunday morning, or simply wanting to relax after a long day, you'll find you come back to his music again and again for a lift. The songs in this new collection were inspired by a two week journey through the mystical and enchanting country of Scotland. Each song has an accompanying story that can be found along with photos in the CD booklet. Enjoy...
