Details: Sons of Ivan is a psychedelic rock band hailing from the Tacoma/Seattle area of the great Pacific Northwest featuring former members of Mono in VCF and the Degrees. The sound is dark, heavy and atmospheric, balanced with a touch of intimacy and beauty. Reylan and Lino Fernandez layer spacey guitars over Mike Krushkas brooding wistful vocals. Dylan Dearing and Jesse Bynums powerful, melodic rhythm section helps to bring heart and soul to the music. The songs display a futuristic sound that is still intelligently timeless.
