Shamanic drumming for meditation and shamanic journey. 3 MP3 Songs NEW AGE: Healing, WORLD: Native American Details: Buffalo Beat was created at the request of those who attend my monthly Shamanic Journey meditation. It consists of three pieces which were Shamanic Journeys that I personally went on and recorded. While recording, many times I received messages that I should get up and turn off the recorder and delete the file. So the three pieces on this CD are what was allowed. I use both a 15" elk hide drum and a 24" buffalo hide drum on this CD. Enjoy your journey!!! Richard Schrei
