

Mp3 Sones De Mexico Ensemble - ,¡que Florezca! (let It Bloom)

[DOWNLOAD HERE](#)

Que Florezca. (Let it Bloom) explores Mexican Music through an ancient Aztec legend about the origin of the world and the finding of self, passing through four musical worlds: Concheros, Huapango, Mariachi, and Negritud, and looking into Native, Spanish, 19 MP3 Songs LATIN: Mariachi, KIDS/FAMILY: Kid Friendly Details: We now have a new DIGITALLY REMASTERED re-release of this album (2003) with better sound and a few extras (CD-ROM goodies, etc.). Que Florezca! (Let it Bloom) explores Mexican music through an ancient Aztec legend about the origin of the world and the finding of self, passing through four musical worlds: Concheros, Huapango, Mariachi, and Negritud, and looking into Native, Spanish, and African ethnic roots of Mexican music. The all-acoustic music ranges from the fun and danceable, to the romantic and the mystical, featuring nearly fifty traditional instruments, and a roster of fifteen guest artists that include local harpist Beto Laguna, percussionist Rubn Alvarez, mariachi trumpet player Manuel Cervantes, African master drummer Gideon Foli Alorwoiye, flamenco guitarist Hctor Fernandez, Guillermo Contreras and Gonzalo Camacho from "Grupo Jaranero," and even a brief appearance by Howard Levy on flute. The extensive liner notes give a detailed description of the featured styles and instruments, and lyrics in Spanish with English translations are provided. Co-produced by Juan Des, Stuart Rosenberg, and Sones de Mxico. The members of the ensemble are: Ren Cardoza, Gonzalo Crdova, Juan Des, Ral Fernandez, and musical director Victor Pichardo. EN ESPAOL Ahora tenemos una nueva version con REMASTERIZACION DIGITAL (2003) con mejor sonido y contenido extra en CD-ROM. Que Florezca! (Let it Bloom) es una exploracin de la msica mexicana atravs de una leyenda Azteca acerca del origen del mundo y del encuentro con la identidad propia. En el transcurso de esta exploracin se pasa por cuatro facetas de la msica mexicana: Concheros, Huapango, Mariachi, y Negritud, haciendo alusin a sus raices indgena, espaola y negra. Esta coleccin de msica acstica va desde lo bailable y divertido hasta lo romntico y lo mstico, con cerca de 50 instrumentos musicales y un elenco de artistas invitados que incluyen al arpista Beto Laguna, al percusionista Rubn Alvarez, al trompetista Manuel Cervantes, al percusionista africano Gideon Foli Alorwoiye, al guitarrista flamenco

Hctor Fernndez, a Guillermo Contreras y Gonzalo Camacho del "Grupo Jaranero," e inclusive la breve participacin de Howard Levy como flautista. La extensa documentacin escrita del disco describe detalladamente los estilos y los instrumentos utilizados y ofrece las letras de las canciones en espaol con traducciones en ingls. Producido conjuntamente por Juan Des, Stuart Rosenberg y Sones de Mxico, al grupo lo forman Ren Cardoza, Gonzalo Crdova, Juan Des, Ral Fernndez, y el director musical Victor Pichardo.
