Want to shake your ass and listen to some hot sex? Sex Traxxx combines dirty talk and live sex with thumping bass and luscious loops. Get your groove on and get off, all at the same time. 11 MP3 Songs

ELECTRONIC: Ambient, SPOKEN WORD: With Music Details: Sex Traxxx combines dirty talk and real live sex with thumping bass and luscious loops, creating a mesmerizing mix of dance tracks and sizzling audio sex clips. We're talking hardcore moaning, groaning, and good ol' slapping flesh, mixed in with some booty-shakin' grooves and infectious riffs. Tag along with Nine Inch Nate on his sexual rampage or listen to sweet little Ass Girl purr about their pleasures that her flesh doth truly hold. And we'll give you exactly one guess what Backdoor Boogie and Slap that Ass is all about. Bravo, you guessed correctly. Whether you're looking for the perfect background music for a party or just hardcore audio sex clips to groove to, Sex Traxxx has your fix. Get the best of both worlds! Swell Audio has one goal: providing fine audio erotica to stimulate ears everywhere. Our original audio sex CDs cater to every taste and whim, offering a unique, hands-free listening experience guaranteed to stimulate your mind and imagination (among other things). Open your ears and your mind, and experience a whole new erotic, Swell world. Tune in and turn on. Swell, baby, swell...
