

Mp3 Matthews And Maz - Blues Jam Tracks

[DOWNLOAD HERE](#)

blues jam tracks using all live studio musicians and instruments 15 MP3 Songs in this album (61:50) !

Related styles: BLUES: Blues-Rock, BLUES: Chicago Style Details: Blues jam tracks , produced by eddie matthews and larry maz.for gracetone productions. unlike most jam tracks that are recorded using a midi sequence.with a some what robotic sound. Ours were recorded using all live instrumentts and top studio musicians. use these tracks for jamming along with. great for guitar players , harmonica players , keyboard or whatever. we have includedd each track in 4 keys to make it easier for you to find that perfect spot to find your groove. you can use jam tracks for improving your improvising skills, students and teachers can benifit,use for a live performance.or just plain having fun. just dont copy and sell them.. thats our job
