

Roland Mc 303 Groove Box 4

[DOWNLOAD HERE](#)

You get Roland Groove Box 3 & 4. 9's O's N's P's Too! That is a total of 400 different loops to create all kinds of killer dance music or whatever you want to do to the grooves! That is up to you! H01 THROUGH H50---- TRIP HOP ! House, Techno, Hip Hop and more! i 01 TO i 11 -----TRIP HOP ! 175 different loops that will hypnotize you!!!! YOU HAVE HEARD THIS MACHINE IN THE MOVIE MORTAL COMBAT AND MANY MORE! THESE ARE AWESOME SOUNDS! THEY ARE MADE TO WORK IN FRUITY LOOPS, REASON, CUBASE, CAKEWALK , ADOBE AUDITION,SONY ACID MUSIC OR ANY MUSIC SOFTWARE PROGRAM THAT CAN IMPORT WAVE FILES. They come royalty free and can be used in Cubase,Cakewalk,Pro Audio, Sonic Foundry Acid Music, and practically all music software music production programs. They can even be loaded into your favorite sampler. Why spend hours and days of tedious sampling and looping like I did to create these loops. They can now be yours to do with as you please. You save time and save a whole lot of money. I have taken painstaking effort to ensure the quality of these samples. My price is really too good, but I being a musician and composer myself have really enjoyed the ease of using these samples in my own works. That is why I am offering a money saving price to other hard working musicians like myself.
