Smash Up The Studio presents... 'MIDI Keys: Bass'. This pack contains 50 fantastic 4 bar Midi bass loops in the style of Disco / House. Each loop is very useable and could form the basic structure for your entire track. These MIDI loops are designed specifically for using with synth bass sounds and other bass sounds and they have been played in the style of a real bass player, but with MIDI there are no rules, you decide what sound is best and if you want to edit the part to make it exactly how you like it, you can. All of these bass grooves were played by Steve Burton who is not exactly new to making house records, His keyboard work can be heard on many top mixes by artists such as Whitney Houston, Janet Jackson, Barbara Tucker, Jocelyn Brown and on labels like Strictly Rhythm and Ministry Of Sound. So get out your favourite bass plug ins and enjoy.... FORMAT: - MIDI
