Related styles: POP: Quirky, REGGAE: Pop-Reggae People who are interested in Jason Mraz The Cat Empire John Butler should consider this download. Details: Smell the rain, feel the earth, put your ear to the ground. This is where youll hear the sound of THE ROOFTOPS latest EP, Clean Dirt; A fresh journey of barefooted sole searching and deep rooted grooves. Its time to get dirty. Its been 3 years since the bands highly successful debut album, Storm Season. The single, Making Photographs, received regular airplay on Australia's favourite national radio station, Triple J. Roots and All presenter, Sarah Howells is quoted as saying that THE ROOFTOPS are my favourite band of the summer. Since then the band has cultivated its fresh organic sound and uplifting vibes at the Bowery Bar, home to THE ROOFTOPS for the past 3 years straight. Current EP, Clean Dirt, invites listeners on an excursion through musical contours of revitalising soul, reggae, and funk grooves. A mature honesty is reflected in front man, Euan Grays captivating storytelling style. His timeless messages are complimented by solid backbeats, shimmers of spontaneous musical interaction, and just an overall feel-good vibe. Rediscover your roots in Clean Dirt.
