Kirk, the renaissance kid from North Portland, runs Blue Jay Records, and has made thousands of handmade cdrs, tapes, videos, dvds, audiobooks, comic books, and drawings. This is a compilation of songs we licensed from him and are culled from the albums; Marley, Rock So Clever, Blossom, Rock Mix 203, and Whiskers. The 3D cover is a drawing by Kirk, but the glasses and effect are done by the 3D genius Ray Zone. The music features members of the North Pole House Band; Shane de Leon, Gilles, and Bill Horist. The hi fidelity songs were recorded at Studio Olivia and the lo fidelity songs were recorded at the North Pole. Really you gotta hear it to believe it. Our best bet. -500 copies with 3D glasses. -3D by Ray Zone -Cover art by Kirkland Leach -Features Bill Horist (guitar), Gilles (drums) -Produced by Shane de Leon and Starbage Hands
