A variety of rockin', dark and humorous songs that will nest in your sub conscious, only to be released at the most inappropriate moments. 6 MP3 Songs ROCK: Punk, ROCK: Grunge Details: If you have a dark sense of humour and enjoy playing SIMPLE air-guitar, then this cd is for you! BIO: Raised on a steady diet of Mac-n-Cheese and Beer, the Goose boys battled the depressing effects of Northeast Ohio's battleship-grey skies and recorded the life changing cd that is known as: "Goose Jo Mama" Listen to it once and find yourself singing the chorus to any or all of our stoopid tunes. You will laugh and curse us at the same time! We've recorded songs that anyone can scream or yell along with. (People usually do) This CD is also great for parties where there's lots of drinking and you need a cd to put on that the drunks can sing-along to... ENJOY!
