JUMPSTYLE JUNKIEZ ACID LOOPS LIBRARY This collection expands our Trance Junkiez Library with edgier,harder, more aggressive loops that will make your next production bounce. Jumpstyle Pack includes a total of 530 acidized wave loops and corresponding rex2 loops. Beats section attacks with heavy kicks, extra crispy and fast hihat patterns and intense mixed combo beats. Jumpstyle Leads folder is the highlight of an entire collection packing enough energetic hooks and synth phrases to keep the floor sweating before next dj takes over. Intense SFX hits and production effects complete this exciting new release. We are absolutely certain that you will enjoy working with these loops as much as we have enjoyed making them. Thank You for Your Support and please check our Website for more info and demos at loopsjunkiez.com LOOPSUNKIEZ TEAM PEACE and take care of each other
