[LINK TO SALES PAGE - Blog Post Automator](#) There are a few terms we are placing on this master resell license: 1. That you under no circumstances bundle or package Blog Post Automator with more that 1 additional product on any one website regardless of who created them. This applies to you and everyone that you happen to sell these rights to on down the line. 2. This software may never be given away for free or as a bonus to any other product, this includes giveaway offers. 3. This product may not be sold on eBay or any other internet auction site. This just devalues the product for everyone when some joker starts selling it there for \$5 so dont do it or your license will be immediately and unilaterally revoked, and we will seek legal damages against you. Grab This Great Package NOW! INCLUDES MASTER RESELL RIGHTS Valued At \$47 If you use WordPress as a blogging platform then chances are good you are familiar with plugins like Blog Post Automator which automatically pulls articles from a folder & post them. Content Bye-Bye works hand in hand with these types of plugins.
