We specialize in Repair Manual Software, New, OEM and Aftermarket Repair Manuals and accessories. We have the Repair Manual you need at the prices you want to pay. We have been in business for over 8 years. Finally, a way to keep your factory Shop manual from getting ruined with greasy fingerprints! You will no longer need 2, 3 and up to 5 separate paper Repair manuals for your car! You can get almost any model and year on CD-ROM for LESS than an antique paper manual, that is, IF you can find the paper manual! With our Factory Shop Manuals you can simply print out the page or pages you need, use them and either file them or toss them. It takes seconds to find what you need on our Repair Manuals, and they will last indefinitely! This gives you the ability to view technical repair information from your personal computer. Our products work under all PC and mac based operating systems. When using your manuals for rebuilding or maintaining your auto, you might need several manuals to do the job. Our repair service manuals include ALL the Shop manuals specified for your make and model in one. This manual is not software and is in pdf format. 1976 Ferrari 208/308 GT4 Repair Service Manua Instant Download Models covered 1976 Ferrari 208 GT4 & 308 GT4 This manual contains some or all of what is listed below and so much more.
