Autoresponder was yesterday. content responder is II-EN today. The content responder II-EN is for certain the most flexible and at this advertising tool required most urgently which at present is offered on the market. The concept "autoresponder" is common for years and describes a normal "e-mail address collector" and "text e-mail sender". The concept "content responder" describes an advertising tool which announces and plays all contents like audio, video, text or picture news not only sent but this information just when opening the e-mail. The receiver gets to see or to hear the information immediately and does not have to click on an extra link yet. On the other hand most eMail-reseiver shrink back click from it toward an unknown link. Your advertizing measures are the result of it that approx. 70 of the e-mail receivers are not read from. You read what you here "one must this have" script will offer. Send audio and video e-mails to text HTML unlimitedly, these immediately after it open this one e-mails played or are reported. Stress her autoresponders advertising activities by a till now still unknown high-quality quality standard of the advertizing measures of her fellow applicants. Advertising trend is the following requiredly the current that you tune her advertising to this new strategy. The autoresponder in the conventional meaning surely still renders good services in the advertising. To remain competitive, it is now on the time still to add a shovel, however. The content responder II-EN is a new instrument you should this use. This tool offers you your advertising campaigns to design a favourable way to enter more modern around with the new ones attracts strategies to be able hold of beginning to step. Change your views and do not sell any 08 15 contents about her autoresponder. You probably do not show this one to her customers and her fellow applicants on the outside Quality-content will have left in front of for a long time either. Today, you need more powerful functions also to be used simply and fast, however, to stress her car re pond acquisition of your fellow applicants. The content responder II-EN makes your video and audio news so that these are immediately played by the receiver of this mail when opening. You use the content responder II-EN now and today and you immediately profit from sending your messages in multiple form if you would like to experience a rocket like start with your Internet marketing. You increase the quality of her e-mails of normally too unusual! Do not miss this opportunity and buy now. I wish you much success
