

Schoenberg's Musical Imagination - Michael Cherlin

[DOWNLOAD HERE](#)

No composer was more responsible for changes in the landscape of twentieth century music than Arnold Schoenberg (1874-1951), and no other composer's music inspired a commensurate quantity and quality of technical description. Yet there is still little understanding of the correlations between Schoenberg's musical thought and larger questions of cultural significance in and since his time: the formalistic descriptions of music theory do not generally engage larger questions in the history of ideas and scholars without an understanding of the formidable musical technique are ill-equipped to understand the music. Schoenberg's Musical Imagination is intended to connect Schoenberg's music and critical writings to a larger world of ideas. While most technical studies of Schoenberg's music are limited to a single compositional period, this book traces changes in his attitudes as a composer, and their impact on his ever-changing compositional style over the course of his remarkable career. Author: Cherlin, Michael Publisher: Cambridge University Press Illustration: N Language: ENG Title: Schoenberg's Musical Imagination Pages: 00414 (Encrypted PDF) On Sale: 2007-05-31 SKU-13/ISBN: 9780521851664 Category: Music : Individual Composer & Musician
