How To Make A Lot Of Money By Working A Lot Less Effort. Jealously Guarded Guru Secrets Exposed! Discover How To Create Enormous Wealth From High Ticket Items! "Truth About High Ticket Marketing Exposed..." You see, when it comes to selling higher priced products many marketers are confused and mistake these 'myths' for truths. Do you find any of these familiar? MYTH #1: It takes a lot of effort to make my own high ticket product. TRUTH: In actual fact, it takes just as much effort to market a high ticket product as it takes for a lowly priced product. Sure, you have to do better convincing, but not necessarily MORE EFFORT. Also, did you know that it is possible to start selling high ticket products without creating it first? (I show you how in my course 'High Ticket Blueprint'!) MYTH #2: I need a lot of credibility before I can start selling high ticket products. TRUTH: A lot of customers who buy high ticket products usually have never heard of these sellers until they read their sales letter. While not all sales are made on first contact, these sellers are smart enough to capture their email address to let their autoresponder do the follow-ups... automatically! I show how this is done in my course too, and it's easy! MYTH #3: Not everyone has the deep pockets to blow that kind of money away! TRUTH: Now that's what I call 'scarcity thinking' at work. The problem with this kind of thinking is that you think the world doesn't have enough money to go around. Well newsflash: there's 1.4 trillion dollars circulating around the world electronically... every single day! And when you sell premium products, you attract... what? Yep, premium customers! You don't need 100 customers paying you \$10 when you can get 10 customers paying you \$1000 each! As you can see, high ticket marketing is not just reserved for the big boys... and I'm about to lower the barrier of entry for you! "Introducing The High Ticket Blueprint..." How to Create Enormous Wealth from Selling High Ticket Items! Module 03: High-End Offer Positioning Secrets -- Flash Video + MP3 Audio + PDF Transcript Included! Why do some people get paid more while others get paid less, even if they are selling the same product, in the same business, to the same people? And which type of person do you want to be? The one who makes more or the one who makes less for the same amount of effort?
