Author's Summary SUPER AFFILIATE COMMISSIONS is a step-by-step, paint-by-the-numbers digital study course on how you can exhibit and condition your mind for affiliate marketing riches. Mindset is everything. If you want to empower yourself to become a wealth generator, you must start with the stuff in between your ears. And into the later parts of the course, I will be showing you some of my favorite, proven methods to ramp up my monthly profits - doing nothing more than selling other people's products (which I don't have to create or even offer a single minute of time to customer service)... working nothing more than a few hours a day.
