After the target of an investigative report storms a Virginia Beach television station, he kills one of the anchors before the SWAT team takes him down. Following the victim's funeral, her family files a lawsuit against the gun company who manufactured the killer's weapon of choice. The lawyers for the plaintiff and defendant-Kelly Starling and Jason Noble-are young, charismatic, and successful. They're also easy blackmail targets, both harboring a personal secret so devastating it could destroy their careers. Millions of dollars-and more than a few lives-are at stake. But as Kelly and Jason battle each other, they discover that the real fight is with unseen forces intent on controlling them both.
