Dear Reader: If you are selling products or services on the internet one of the best ways to generate leads is to use a squeeze page. With a squeeze page you can wet the visitors appetite just enough to get them into your sales funnel and let that do the selling for you. The most important part is to get your offers in front of interested leads that are already warmed up. The power of the squeeze page can not be questioned. They simply work. But video squeeze pages take this to a whole different level! You can hold a persons attention really well if you have a compelling video on the page. You will get their attention a lot easier than with printed text. So why aren't all marketers using video squeeze pages? The answer is simple. People think it is complicated or they don't know how to create a video. Well, I am here to tell you nothing could be further from the truth. I have laid it all out for you. I even included a template you can use to easily create your video squeeze pages. I will show you exactly how to quickly create a compelling video squeeze page. You don't need to spend any money on software. All you have to do is follow the simple instructions in my video series. Here is just some of what you will learn: How to pick a product to promote. How to create a video around that product. How To modify the included template. and much more..... Get started today! Don't wait - grab your copy now! PS. Get your copy of the video series now before the price goes up. This is an introductory price and will go up without notice.
