Youll also learn how it all works, and most importantly, what steps we are going to take to implement this business strategy faster. Youll also be given a quick overview of what youll be learning, in the rest of this video series, so you can speed the process up faster. Video #2: Researching Your Target Market Before you go all out and start creating a Facebook ad campaign, the worst mistake you can make, is not knowing who your target market is. Yes I know you are excited, but the last thing you want to do, is jump in with two feet, without the proper research. So in this video, you will learn how to find your target market, their location, their gender, and more. Remember....because Facebook is so targeted, its important that you have this information in hand BEFORE you move forward. Doing this, will allow you to create a successful Facebook Ad Campaign. I want to see you succeed. Video #3: Planning Ahead to Make Your Ads Work After you have done the proper research, you need to plan out your Facebook Ad from the ad itself, to your landing page. In this case, we will be talking about Facebook Fan Pages, because it is a great way to create the viralness of your ad and deepen the relationship with your prospects. You see, the key here is to use what Facebook provides you with, as an advertiser. They have tested these things, and know what works and what doesnt. You will make your life easier, when you just utilize their tools. So thats what well discuss in this section. Video #4: Writing Your Ads and Getting them Approved In this particular video, you will learn how to write your ads quickly, and how to increase your conversions with pictures. If done correctly, your ad should convert quite well. In this video we will also

discuss the important Dos and Donts of Facebook Ads. Unlike Google Adwords, the only downside with Facebook Ads, is that it can take up to a day for your ads to get approved. So you want to make sure that you follow their guidelines before submitting your ads. Video #5: Setting Up and Testing your Ads (CPC vs. CPM) Once your ad is approved, you can begin testing your Ads. This is a vital part of knowing what is the best strategy to take. In this section, we will discuss CPC vs. CPM. There's a specific strategy that I have found that works... that will help you save money, while getting quality clicks. I wish I had known this strategy before I started, but like I said, YOU get to learn from MY mistakes. Video #6: Increase Your Networking and Building Relationships Once you have tested your ads and they are indeed converting, its time to focus on increasing your network reach and start deepening the relationships with your potential clients. But how do you go about that? That's exactly what we'll discuss in this video. So...with that said, grab this video series today, and learn how to Start Creating Quality Facebook Ads that Convert!
