

Section 8 - Shooter Game

[DOWNLOAD HERE](#)

You can download a free demo. On the war-torn planets of tomorrow, mankind's greatest battle is about to begin. With its frontier colonies devastated by a growing insurrection, Earth dispatches the elite 8th Armored Infantry (nicknamed "Section 8") to repel the coming onslaught. The nickname refers to an old United States military regulation where a soldier would be dismissed from service through being mentally unfit for duty. The near-suicidal missions that this division volunteers for brands them as insane by other military units. Section 8 deploys by 'burning in' from their orbital drop ships tens of thousands of feet above the battlefield, utilizing the most advanced arsenal of military hardware known to man. Their mission: to scout and secure difficult objectives and smash enemy defenses in lightning-quick assaults. An intense first-person shooter, Section 8 allows players to dynamically alter the flow of combat as they see fit. Employing tactical assets and on-demand vehicle deliveries, players are given unprecedented strategic control over epic sci-fi battlefields. Publisher: SouthPeak

MINIMUM SYSTEM REQUIREMENTS: Windows Vista/XP Processor: Pentium 4 DirectX 9.0c 1024 MB RAM Free hard drive space: 5 GB Video Card: 3D Accelerator with Hardware T&L and Pixel Shading 256MB DirectX 9.0c 16-bits Sound Card

FEATURES: Burn in to battle from 15,000 feet: see the battlefield open up below as you reach terminal velocity; hit the air brakes and choose where you land Dynamic Combat Missions alter the flow of battle and remove all predictability. Use your wits to gain victory instead of just doing the same things over and over again Call in deployables such as powerful gun emplacements, tanks and walking war machines to secure your hard-won territory or to gain a strategic advantage as you advance on the enemy Choose your weapons, armor and more; don't be restricted to a class such as scout or medic Incredible graphics, powered by a heavily modified Unreal Engine 3, deliver huge, open battlefields Full single-player campaign telling the story of trooper Alex Corde Unrivaled multiplayer combat allowing for clan, team and individual stat tracking Available languages: EN, FR, ES Shooter Game
