"Revealed At Last: An Amazing Collection Of Lost Internet Marketing Strategies In An Exclusive Video Presentation" Just one of these hot little strategies could transform your business... and Now You Can Leverage the Strategies of the Professionals for YOUR Benefit Dear Friend: always thought that if I knew what the professionals knew about this business, then things would be so much easier. I was convinced that despite all the ebooks, courses etc, there was some arcane secret that they weren't telling you. The Truth? There isn't any arcane secret to this business. Oh Yeah, sure, most pro's have one or two personal tricks up their sleeve which they have learned, but these are far from the golden panacea to solve everything including baldness. What I HAVE found however, is that there is a "body of knowledge", used by the pro's which they use, almost like riding a cycle. They can't explain how, it "just comes natural" I Wanted SOMEONE to Walk the Extra Mile With Me. Sometimes, it's just not OK to read a small manual about it. There's nothing like having someone walk the extra mile with you, or failing that, to hear their voice explaining gentle 'how to do it'. The sense of frustration in trying to 'figure things out' is incredible isn't it? I know - I suffer from it all the time, but when I can hear someone EXPLAINING it to me, well - things become a lot clearer. Now one of the biggest problems at the moment is a 'lack of attention'. People have seen it all before and done it all before. You need to have something very special in order to make them sit up and listen. Introducing IM Lost Secrets I've discovered a lost world of professional strategies that are used almost without thinking by the big-guys and I've made a video presentation of them explaining exactly what they are. An Example of just ONE of these Strategies In this video, you'll learn 50 professional strategies for profit pulling sales pages. For example, have you heard of the Visual Bonus Strategy? "Bonus - you'll get the comic book version". This strategy tells your prospects that they will have a little entertainment when reading your information. Your information could be in the form of product instructions, quick start guides, eBooks, follow along guides for audio/video products etc. Entertaining bonus pictures, drawings, photos and/or graphics can visually attract people to purchase your main product NOW THEN - This is HOW this video presentation is going to turn your marketing on its head. Once you've got a grip on these strategies, your marketing will never be the same again. Once

you've listened to me explaining these secrets and 'made them your own' you'll be able to use them in a precise and targeted way. You'll learn how personal stuff and tragic stories can be used to your prospects. People are interested in YOU!. You'll find out how to use knowledge of what YOU do to create a valuable bonus. You'll see how a Non-Official Launch can give you the edge. How giving away a net percentage can positively persuade. And much, much more! - In fact there are 50 Lost IM Secret Strategies in this new and exclusive Video Presentation Want a Sample of The Product? Watch the First 10 Strategies Right Now for Free! Upgrade your Flash Player to version 8 to view this video! Here's TWO Great Bonuses... The First Great Bonus is the manual.
