

Princess Isabella-return Of The Curse Platinum Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. One year after the evil witch was vanquished from the castle, she's returned with a powerful new curse. This time, she casts the spell over the entire kingdom and takes Princess Isabella's child captive as well. With no one else around to help except for her fairy friend, the Princess must now endure an even greater and more dangerous quest to save the land: A journey that will take her right into the lair of the witch itself. Follow Princess Isabella on this exciting new adventure through the castle and kingdom to defeat the witch once and for all. Navigate over 200 beautifully dark scenes searching for helpful items, solving magnificent puzzles, and breaking the spell. Call on the fairy's special powers when in need and meet new helpers with special abilities of their own. Publisher: Gameagents MINIMUM SYSTEM REQUIREMENTS: Windows 7/Vista/XP Processor: Pentium 4 1.9 GHz DirectX 8.1 512 MB RAM Free hard drive space: 523 MB FEATURES: This Platinum Edition includes one Bonus Chapter, an integrated Strategy Guide, Concept Art and Wallpaper, a stunning musical Soundtrack, and a game Teaser.
